## Chairman's Welcome

Dear Members, Exhibitors, Handlers and Friends

The Cape Rottweiler Club is proud to host its 18th Annual Breed Championship Show together with the Western Province Regional Sieger Show this year. We extend a warm welcome to all our friends and supporters whom we have come to know over the club's 19 years of existence. Cape Town has been especially fortunate to see a growing number of new Rottweiler enthusiasts who are becoming deeply passionate about the breed. This bodes well for the future care, development, and preservation of the Rottweiler.

A sincere thank you is extended to our trusted CRC committee, all of whom have worked together for several years and remain dedicated to upholding the club's strong reputation as a dog training club, a dog sport club and a breed club. We also gratefully acknowledge our loyal supporters and exhibitors who have consistently supported our breed shows over the years. I would like to take this opportunity to invite anyone who feels they can contribute to the club to consider serving on the committee, in any capacity—large or small.

Once again, the CRC is privileged to welcome Mr Barron Africa as the judge of our Regional Sieger Show this weekend. Mr Africa is no stranger to the Cape Rottweiler Club. He is a founding member of the CRC, currently serves as Vice Chairman of the Rottweiler Breed Council of KUSA, and is Chairman of our sister club, the Western Province Rottweiler Club. He has judged numerous championship shows both locally and internationally and is a strong advocate for the complete Rottweiler—one that combines sound structure with a stable temperament and a willingness to work and please its handler. We trust that you will enjoy spending time with Mr Africa over the weekend.

We are also pleased to once again partner with Lionel's Choice as our main sponsor for 2026. This locally produced dog food brand is available nationally. Our heartfelt thanks go to Dirk van der Merwe and the Lionel's Choice Comprehensive Pet Care Range for their generous sponsorship. We look forward to a long and successful partnership. The CRC highly recommends this food, and anyone interested in purchasing it through the club is welcome to contact myself or any committee member.

In addition, the CRC will be hosting the IGP Meisterschaft National Working Trial this year, taking place on 21, 22, and 23 May 2026. The trial advert is in catalogue. We encourage exhibitors and enthusiasts with an interest in dog sport to attend. Competing dogs will demonstrate their working ability through scent tracking, obedience, and protection phases. One of our committee members, Yusri, will be competing with his German Shepherd, Koda. We encourage everyone to support this event as it showcases the exceptional trainability of working dogs, and we hope to see Rottweilers competing in future events.

To all breeders and exhibitors, this is the moment when your dedication and hard work take centre stage. Enjoy the day in the company of friends, and we wish everyone the very best of luck. Cape Town exhibitors are renowned for their excellent sportsmanship—please continue to uphold this valued reputation. Thank you.

**Osman Damon**

## Barron Africa

Cape Town (South Africa)

I was born on 23 June 1973 in Cape Town, and fortunate to live most of my life in this amazing city.

I am a CA(SA) chartered accountant by profession, and have been in the asset management industry for most of my career, my previous position was Chief Operating Officer for Futuregrowth Asset Management (part of the Old Mutual group).

I have had an intense love for dogs from a very early age, but I managed to get my first Rottweiler puppy in 1989. I am competitive & passionate about everything I do, and soon found myself researching the breed. My journey led me to Chris Pretorius, which I still regard as one of my mentors. I acquired my first breeding Rottweiler female from Chris, Lübecker Asha of Legion (which I competed with in both breed ring as well as ZTP, APT, IPO/IGP and tracking). For my first litter drove all the way for Gauteng (1500km) to secure the best stud at the time; and my A litter was born in 2004. A few years later, I really pioneered the importation of frozen semen and artificial insemination for Rottweilers in South Africa, by importing semen from Benno van het Falconsnest (a Cliff vd Konigskanzel son and Balou vom Silberblick grandson). This litter was produced from importing just a single straw and produced 7 puppies, of which two dogs achieved an SA Youth Sieger and SA Youth Siegerin, and a 3rd dog from this litter was awarded the SA Sieger title on two occasions. One of my best show results was in 2012, when my dogs and breeding won 3 out of the 5 SA national Sieger titles. I have remained active in the breed show ring with multiple BOB and Sieger titles, and in 2022 again achieved SA Youth Siegerin. I have continued importing frozen semen from multiple top international studs, which include, Arzadon Tayson, Balou vd Maxi Rott, Lex vom Hause Edelstein, Vikko Della Val Di Noto, TK's New Yorker and Rio Del Colle Canino. These days my dog breeding program is very limited, and we only have 2 Rottweilers. I spend most of my time with my family as well as my other passion, fishing!

I started my judging training in 2009, and in 2017 qualified to judge the working group as well as a Rottweiler specialist (grade and critique Rottweiler shows, including breed assessments and ZTP). I have also been an IPO/IGP Helper since 2008. At the same time I commenced my IGP judging, for which I can currently judge IGP 1. I also qualified as an Aptitude (dog mental test) judge in 2019.

I joined the Western Province Rottweiler Club in 2001 and have served as the club chairman from 2006 until now (with the exception of 2011-2014, when I worked outside of Cape Town). I was also a founding member of the Cape Rottweiler Club. I have served on the national Rottweiler Breed Council (RBC) since 2007 in various portfolios, and currently serve as the RBC Vice Chairman as well as the Breed Convenor. This is our Rottweiler specialist governing body, and custodian of breed rules, standards and a sub-committee of KUSA. I managed the SA Sieger show 2021 some video footage of our show on Western Province Rottweiler club Facebook page. Our club again hosted the 2025 SA Sieger shows, which was deemed to have been one of the best ever events in SA. I have judged the working group, Rottweiler specialist shows, Dobermann specialist shows, Aptitude tests, Breed Assessments and ZTP's including multiple Regional Sieger shows in South Africa, Rottweiler Club of New South Wales – Oct 2022 (Sydney Australia), and the Nigerian Rottweiler Breeder Soc Sieger Show in June 2024

I love the complete Rottweiler, so will always be looking for a dog that not only looks the part, but shows the working temperament, and ability to drive in movement. If you listen closely to my critiques, you will quickly know when a dog gets my attention.

I look forward to meeting you and your dogs in the ring!

Judge's Signature

## Show notices:

### Breed classes

*Baby Puppy		Minor Puppy		Puppy
	Junior		Graduate	
SA Bred		Imported		Working
Breeders	Veteran		*Neutered	Open
		Champion		

*\*(NB: Please note that Baby, Minor, Puppy and Neutered dog classes not eligible for CC or RCC)*

Novelty Classes for *Best Head, Best Progeny and Best Gait*

### General

- The rules of Sch 3 Championship shows, Sch 5E (21) Rottweiler Specialist Championship shows and Sch 5E (18) Rottweiler Grand Victor apply (for GV shows only).
- Bitches in season are allowed in this Show, but exhibitors are requested to show consideration for other exhibitors in such cases. Bitches in season will not be allowed anywhere near Obedience rings (ref Rule 9(b) of KUSA Show Rules and Regulations).
- Every care has been taken in compiling this Catalogue, but it is possible that errors may occur. If a mistake is noticed in your particular entry, please report it to the Show Manager.
- Only Rottweilers that are identifiable and who feature in this catalogue, may compete. Identification of dogs will be performed in a marshalling area outside the ring. Scanners are provided by the Show-holding club but do note that the onus is on the exhibitor to prove identification. ***This means that if your dog's ID cannot be read, you will need to consult show management for procedure.***
- Exhibitors must enter the ring/marshalling area when their exhibit number is called. Late exhibitors will be marked absent and under no circumstances will classes be re-judged. It is the exhibitor's responsibility to be aware of this.
- At Specialist Shows ONLY a V-grading may be awarded to dogs and bitches of exceptional quality in the opinion of the Judge, this grading is awarded from the JUNIOR Classes onwards.
- Kindly note that exhibitors may not hold conversation with the judge during competition except to answer questions, and anyone who persists in doing so despite request not to do so, either by the Judge, Steward or Show Manager, may be disqualified and have prizes/awards already won, forfeited.
- **DO NOT** leave any dog/s unattended in your vehicle!!
- **DO** enjoy the show!!

### **IMPORTANT**

**Exhibitors are responsible for control over and the behavior of their dogs. Under no circumstances will either KUSA or the Show-holding Club accept any responsibility for incidents in - or outside the ring.**

## Rottweiler Breed Standard FCI-Standard No 147

**Lips:** Black, close fitting, corner of the mouth not visible, gum as dark as possible.

**Jaws/Teeth:** Upper and lower jaw strong and broad. Strong, complete dentition (42 teeth) with scissor bite, the upper incisors closely overlapping the lower incisors.

**Cheeks:** Zygomatic arches pronounced.

**Eyes:** Of medium size, almond-shaped, dark brown in colour. Eyelids close fitting.

**Ears:** Medium-sized, pendant, triangular, wide apart, set on high. With the ears laid forward close to the head, the skull appears to be broadened.

**NECK:** Strong, of fair length, well muscled, slightly arched, clean, free from throatiness, without excessive dewlap.

### **BODY:**

**Back:** Straight, strong, firm.

**Loins:** Short, strong and deep.

**Croup:** Broad, of medium length, slightly rounded. Neither flat nor falling away.

**Chest:** Roomy, broad and deep (approximately 50 % of the shoulder height) with well developed forechest and well sprung ribs.

**Belly:** Flanks not tucked up.

**TAIL:** In natural condition, strong, level in extension of the upper line; while paying attention, when excited or while moving it can be carried upward in a light curve; at ease may be hanging. While positioned along the leg, the tail reaches approximately to the hocks or is a bit longer.

### **LIMBS**

**FOREQUARTERS:** Seen from the front, the front legs are straight and not placed too closely to each other. The forearm, seen from the side, stands straight and vertical. The slope of the shoulder blade is about 45 degrees to the horizontal.

**Shoulders:** Well laid back.

**Upper arm:** Close fitting to the body.

FCI-St. N° 147 / 24.07.2018

**Forearm:** Strongly developed and muscular.

**Pasterns:** Slightly springy, strong, not steep.

**Front feet:** Round, tight and well arched; pads hard; nails short, black and strong.

**HINDQUARTERS:** Seen from behind, legs straight and not too close together. When standing free, obtuse angles are formed between the dog's upper thigh and the hip bone, the upper thigh and the lower thigh, and the lower thigh and metatarsal.

**Upper thigh:** Moderately long, broad and strongly muscled.

**Lower thigh:** Long, strongly and broadly muscled, sinewy.

**Hocks:** Sturdy, well angulated hocks; not steep.

**Hindfeet:** Slightly longer than the front feet. Toes strong, arched, as tight as front feet.

**GAIT:** The Rottweiler is a trotting dog. In movement the back remains firm and relatively stable. Movement harmonious, steady, full of energy and unrestricted, with good stride.

**SKIN:** Skin on the head: overall tight fitting. When the dog is alert, the forehead may be slightly wrinkled.

### **COAT**

**HAIR:** The coat consists of a top coat and an undercoat. The top coat is of medium length, coarse, dense and flat. The undercoat must not show through the top coat. The hair is a little longer on the hindlegs.

**COLOUR:** Black with clearly defined markings of a rich tan on the cheeks, muzzle, throat, chest and legs, as well as over both eyes and under the base of the tail.

### **SIZE AND WEIGHT :**

**Height at withers:** For males is 61 - 68 cm.

61 - 62 cm is small

63 - 64 cm medium height.

65 - 66 cm is large - correct height

67 - 68 cm very large.

**Weight:** 50 kg.

FCI-St. N° 147 / 24.07.2018

Height at withers: For bitches is 56 - 63 cm.  
56 - 57 cm is small 58 - 59 cm medium height.  
60 - 61 cm is large - correct height 62 - 63 cm very large.  
Weight: Approximately 42 kg.

**FAULTS:** Any departure from the foregoing points should be considered a fault and the seriousness with which the fault should be regarded should be in exact proportion to its degree and its effect upon the health and welfare of the dog.

- General appearance: Light, weedy, leggy appearance. Light in bone and muscle.
- Head: Hound-type head. Narrow, light, too short, long, coarse or excessively molossoid head; excessively broad skull, (lack of stop, too little stop or too strong stop). Very deep frontal groove.
- Foreface: Long, pointed or too short muzzle (any muzzle shorter than 40 percent of the length of the head is too short); split nose; Roman nose (convex nasal bridge) or dish-faced (concave nasal bridge); aquiline nose; pale or spotted nose (butterfly nose).
- Lips: Pendulous, pink or patchy; corner of lips visible.
- Jaws: Narrow lower jaw.
- Bite: Pincer bite. Molars of the underjaw not standing in one line.
- Cheeks: Strongly protruding.
- Eyes: Light, deep set. Also too full and round eyes; loose eyelids.
- Ears: Set on too low or too high, heavy, long, slack or turned backwards. Also flying ears or ears not carried symmetrically.
- Neck: Too long, thin, lacking muscle. Showing dewlap or throaty.
- Body: Too long, too short or too narrow.
- Back: Too long, weak; sway back or roach back.
- Croup: Too sloping, too short, too flat or too long.
- Chest: Flat-ribbed or barrel-shaped. Too narrow behind.

FCI-St. N° 147 / 24.07.2018

- Tail: Set on too high or too low.
- Forequarters: Narrow, crooked or not parallel standing front legs. Steep shoulder placement. Loose or out at elbow. Too long, too short or too straight in upper arm. Weak or steep pastern. Splayed feet. Too flat or too arched toes. Deformed toes. Light coloured nails.
- Hindquarters: Flat thighs, hocks too close, cow hocks or barrel hocks. Joints with too little or too much angulation. Dewclaws.
- Skin: Wrinkles on head.
- Coat: Soft, too short or long. Wavy coat; lack of undercoat.
- Colour: Markings of incorrect colour, not clearly defined. Markings which are too spread out.

#### SEVERE FAULTS:

- General appearance: Too molossoid type and heavy general appearance.
- Skin: Skin at the head strongly wrinkled, strong wrinkles in the area of the forehead, the muzzle and the cheeks, strong dewlap.
- Gait: Sluggish action while trotting.

#### DISQUALIFYING FAULTS:

- Aggressive or overly shy dogs.
- Any dog clearly showing physical or behavioural abnormalities shall be disqualified.
- Behaviour: Anxious, shy, cowardly, gun-shy, vicious, excessively suspicious, nervous animals.
- General appearance: Distinct reversal of sexual type, i.e. feminine dogs or masculine bitches.
- Teeth: Overshot or undershot bite, wry mouth; lack of one incisive tooth, one canine, one premolar or one molar.
- Eyes: Entropion, ectropion, yellow eyes, different coloured eyes.
- Tail: Kink tail, ring-tail, with strong lateral deviation, natural bobtail.

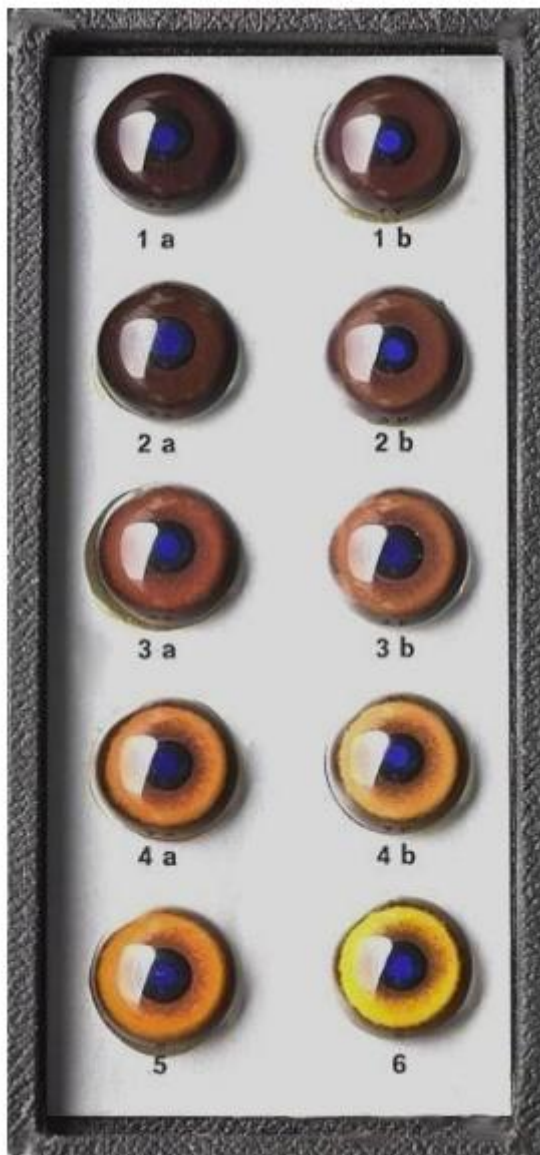

- Hair: Definitely long or wavy coat.
- Colour: Dogs which do not show the typical Rottweiler colouring of black with tan markings. White markings.

#### N.B.:

- Male animals should have two apparently normal testicles fully descended into the scrotum.
- Only functionally and clinically healthy dogs, with breed typical conformation, should be used for breeding.

## EYE COLOUR IN THE ROTTWEILER

The Breed Standard prescribes a dark brown eye, almond shaped, of medium size.

- a. 1A and 1B are classed as 'deep dark brown' and is acceptable (positively so).
- b. 2A and 2B are classed as 'dark brown' and are regarded as the ideal.
- c. 3A and 3B are classed as 'brown' and is acceptable (negatively so)
- d. 4A is classed as 'borderline'. If a Specialist accepts it during a Breed Assessment, he'll issue a warning to the owner/breeder to only match this dog with a breed partner who has VERY dark brown eyes.
- e. 4B, 5 and 6 are unacceptable.

# what to bring

for your dog's stay

 A little from home, makes their stay comfortable.

## FOOD

To keep their tummy happy and routine consistent.

## BLANKET

For comfort and a familiar scent from home.

## COLLAR

For safety and easy identification.

## LEASH

For safe walks and outdoor adventures.

Thank you for helping us make your pup feel at home! 

# doggo'tel

Your dog's happy place away from home.
