SOUTH CAPE IGP CHAIRMAN

CARYN KRITZINGER

On behalf of South Cape IGP Club I would like to give you all a warm welcome to George to participate in the Western Cape IGP Provincial Championships.

Towards the end of 2017, a few dog enthusiasts got together and decided to establish South Cape IGP Club. Our opening meeting was held on 10 March 2018 and the club consisted of 5 local members and 2 country members.

Not knowing much we held our first trial on 9, 10 Nov 2018, fortunately advice was never more than a phone call away. John Rautenbach was the Judge with Grant Higgs as Helper. We had 2 members participating in the trial and the rest were from Cape Town. We had 12 entries in total and were well supported. Our second trial was held on 8, 9 Nov 2019 with 7 local entries and 3 from Cape Town. Due to Covid we held no trial in 2020 and decided to hold 2 trials in 2021. Our club currently has 10 local and 2 country members.

We were approached to host this year`s Western Cape Provincial Championships and we nervously decided to accept the challenge. We sincerely hope this weekend measures up to all of your expectations.

I`d like to thank each and everybody who has assisted in any way to enable us to present this trial, the team effort is greatly appreciated. Thank you to the officials for offering their time and expertise and a special thank you to all our sponsors, everyone who supported our calendar sales and to all our club members for their dedication and hard work to not only make this trial happen, but to also compete.

Also a special thank you and welcome to our Judge, Mike Seddon, who has come all the way from Natal, and our Helper Andreas Lysandrou, who has come all the way from the UK. Your presence is greatly appreciated. Thank you to John Easingwood who obliged to be our trial manager and to ensure that the trial runs smoothly.

May good sportsmanship prevail throughout the trial and may we all leave George feeling rejuvenated to continue competing in our chosen dog sport.

Last but not least, thank you to all the handlers with their dogs for entering. This weekend is all about YOU & YOUR DOG! Don't forget to breathe and to have fun with your dog.

Enjoy your weekend with us and may you all achieve the success you have trained so hard for.

Caryn Kritzinger

JUDGE: MIKE SEDDON

I've been involved in dog sport since 1975, Schutzhund since 1981 and qualified as judge and helper under Klaus Ludwig from Belgium in 1982.

I've competed in numerous Nationals, being placed several times and winning in 2019 with Ike von Teufelhang and selected to represent SA in four WUSV Championships. Circumstances permitted competing in two WUSV Championships, namely: 2006 in Denmark and 2015 in Finland.

I am actively training at present with my new young dog Erich von Pentavita and hope to be on the trial field soon.

Wishing all the competitors the best of luck for the Provincial Championships this weekend.

Mike Seddon

HELPER: ANDREAS LYSANDROU

I have been training dogs for over a decade. I have attended many seminars with World renowned trainers. I am working in London since 2015 as a dog handler and I am qualified with NTIPDU and BIPDT. I am also a licensed helper.

My achievements with my dogs are as follows:

- Miserour Lethal D – 3 times IGP3
- Hermine Del Camino Duro – IGP2 & Schz 1
- Hope Del Caminor Duro – IGP2
- Competed in Scotland for the 2018 All Breeds National Championship
- Competed in GSDL Championship WUSV joint selection trial 2018
- Competed in RSV2000 World Championship 2018 and ranked 11th.

Best of Luck to all for the weekend Provincial Trial.

Andreas Lysandrou

We had Andreas for a seminar here in George in 2020 – the attendance was great, with handlers and dogs from Cape Town joining us. He spends a super amount of time with each handler and dog. We had a brilliant seminar and learnt so much from Andreas. PS Training will go on in thunder showers with Andreas! Thanks again Andreas – it was awesome!
